NATIONAL PHOTOGRAPHIC INTERPRETATION CENTER

19 November 1962

TO: Robert E. Larue

Several weeks ago, it was my pleasure to pass on to you a letter of commendation from the Director of Central Intelligence. Now, the President of the United States has sent the attached letter of appreciation and commendation to the Center, which will be made part of your official personnel file. Again, I want to commend you for your vital contribution to the Center's achievement, and express my appreciation for your sustained efforts.

ARTHUR C. LUNDAHL
Director
