Dear Mr. DeBruin:

Your letter 26 August 1969 regarding your brother Eugene DeBruin's status has been referred to this office for reply.

In reply to your question as to the location of Mr. P. Indradat, he is now assigned at Air America, Inc., Udorn, Thailand. Mr. Indradat was released by friendly forces in January 1967 and further stated that he was separated from your brother in July 1966. He has had no information regarding your brother since that time.

The Air America, Inc. Personnel Manager in Vientiane, Laos has contacted the appropriate officials in Vientiane this past week for any information on your brother and the feasibility of mailing letters and packages. He has been making continuous inquiries and has received the same reply that there is no further information available. He also advised against mailing of any packages as they have not been accepted by the Pathet Lao for distribution.

We will continue our efforts in this matter and advise you upon receipt of any information whatsoever.

Sincerely yours,

C. J. ... by
