REMARKS

Mr. Kelly of the U.S. Embassy Political Section called re : Eugene Debruin's brother. Apparently Mr. Jerome E. Debruin heard of the UPI cable we picked up, plus the fact that we couldn't find out its source and has written letters to a USAID official in Washington.

I advised Mr. Kelly of the info contained in our files plus the info given by CEC TPE that the cable was part of a story re-hasing the old prisoners names and nothing significant.

The question arises of course - How did Jerome Debruin find out about the UPI cable ? (his source of information was not intirely complete, as we did find out later that the story was routine)
