REF. No. SLC-65-210

SUBJECT: Captured Employees -- Aircraft B-150

DATE: June 15, 1965

We received recently the attached letter, dated June 1, 1965, from the U.S. Department of Labor requesting details of the payments of wages being made in connection with captured employees Eugene Henry DeBruin, Yik-Chiu To, Prasit Prumsuwan, Pisidhi Indradat and Prasadhi Thanee. We have drafted the enclosed response for your review and in connection therewith call your attention to the first full paragraph on page 2 thereof.

Inasmuch as these matters have heretofore been handled by the WAS office, you may wish to submit the response from there. On the other hand, if you prefer that we finalize the matter in the Field, please return the attached draft with your comments, if any.

For your information and file records we also enclose photo copies of memoranda PND-DP-65/1621 and PND-DP-65/1653 from which we have obtained the information contained in our proposed response.
