MEMORANDUM FOR: Deputy Director for Administration  
FROM: R. E. Hineman  
Deputy Director for Science and Technology  
SUBJECT: . Support to November Technical Meetings

1. I wish to express my appreciation to you for the support provided by your Directorate to a recent series of technical meetings hosted by this Directorate. In particular, I would like to single out the Office of Security for its outstanding professional support.

2. In November 1984 the Office of SIGINT Operations hosted a series of technical meetings [Redacted]. The support for these meetings was varied and complex and drew on several offices from your Directorate. Of particular note is the role played by the [Redacted] Office of Security in the form of day-to-day protection and assistance to [Redacted] the DS&T personnel. The support provided by all was outstanding and a significant contributor to the overall success of the meetings.

3. I want to especially recognize the following personnel from your Directorate for their individual contributions to the success of these meetings:
