Dear Allan:

Frazier Meade has agreed, pending your approval, to prepare for us during the next few weeks a list of the members of the Executive Committee of the IUS since its origin in 1946. This list will be of great help to us in the preparation of our studies on the IUS.

We have assigned the number, K-5049, to this particular request, and any questions Frazier may have pertaining to it should be directed to Bill Hopkins.

I should like to take this opportunity to express my appreciation for a similar list of Executive Committee members of the WFDY that Frazier voluntarily prepared for us when he discovered, in response to a request by Bill Hopkins, that such a list was not available.
