Subject: FOIA request. Reference: F-2010-01674

Dear FOIA officer:

In a letter dated August 31 and signed by Scott Koch, I was told my FOIA request with reference number F-2010-01674 was too broad. I am writing to narrow this request so that you may process it without unreasonable burden on the agency. Please limit responsive records to those where the subject of an investigation lives in or has ties to Dearborn, Michigan and threat assessments of groups or persons which mention Dearborn, Michigan.

Signed,
/Jason Smathers/
