MEMORANDUM
ON
DUNCAN CHAPLIN LEE

030781

(b)(6)

Checking with [REDACTED]

I talked to [REDACTED] today, checking about young Lee and he said that he had known the Lee family for three generations.

Lee's father is now an Episcopal clergyman in Virginia and his uncle, Dr. Hugh Chaplin, is a well-known church man in New York. His church is the Madison Avenue Presbyterian Church.

[REDACTED] has great confidence in young Lee, and says that he is clever, ambitious and he very heartily recommends him to us.
