~~SECRET~~

S.F.E.-New York

Major Duncan C. Lee

July 25, 1945.

Eric Staight

I enclose originals and one copy each of three "S" reports N-12813 "S", N-12813 "S"/2 and N-12813 "S"/3.

The keys will follow as usual.

You will note that the same man contributed the subject matter for all three of these reports. They are separated because it is our feeling that this method makes the material easier for you to handle and digest.
