MEMORANDUM TO: Mr. Watts Hill

FROM: Allen W. Dulles

o Duncan C. Lee, Captain, 1st Lt. 1st Lt.

This morning, John McDonough mentioned to me that you are considering taking on an administrative assistant. I should like to recommend Duncan C. Lee, who was interviewed by several of us here and who made an excellent impression. His record is outstanding and he seems to me to be a capable, intelligent young man.

His file is now in the hands of Robert Cresswell.
