EG-60276, 27 October 1959

On 5 November 1959 a person probably identical with the individual referred to in reference as (fnu) GROSS of Bad Oeynhausen called the Polish Military Mission in West Berlin and spoke with Boleslaw MARCZAK. The caller said that he was in Berlin, and he arranged to meet MARCZAK on 7 November 1959 at the PMM. This time CALLIKAK recorded the name as DROSS, and the name DROSS was repeated several times. It is therefore possible that the person whom we are trying to identify per reference is named DROSS rather than GROSS.
