Dear Alant

This is to confirm our conversation of January 19 here in which we stated that no personnel employed by you, who have special relationships with us, have ever received, or presently receive, "special instructions" from us which are not communicated through you. It is also agreed that such personnel are under your control and direction, and may be assigned to such duties as you deem advisable.

We also understand, however, that the present arrangement of our conducting day-to-day affairs directly with designated members of your staff has your concurrence.

Sincerely,

CIO, /slj
