MEMORANDUM FOR THE RECORD

SUBJECT: [] [] (Iden A)

1. IOD has approval granted by DD/P, under project [] to continue working with [] internationally. IO interest in KMGAMBIER was begun some time ago locally in Asia through DTPILLAR.

2. The objectives of IO are to strengthen the movement internationally toward pro-free world objectives as a pro-democratic citizenship-participation, community-betterment, civic service organization of young men between the ages of 21 and 40, world-wide.

3. IOD has a contract agent, [] former President of the U. S. Chapter of [] and presently special assistant to the President of [] internationally. Zinnamon's mission is as follows:

(a) To extend [] internationally. To activate new chapters and stimulate present chapters towards the above objectives.

(b) To insure that such chapters have pro-free world democratic leadership.

(c) To broaden the membership of [] to include as well as young business men, government workers, labor leaders, farm leaders, religious leaders, journalists, doctors, lawyers and the like.

(d) To encourage [] chapters around the world to undertake citizenship, leadership and community betterment projects which will move the organization toward U. S. and pro-free world objectives.

4. Although [] has taken an anti-Communist resolution world-wide the emphasis will be on building positive free-world forces, rather than negatively attacking Communism. However, as may be appropriate and without damaging the potential of [] as a

strong pro-free world movement of young leaders, such anti-Communist activities as may be possible will be carefully attempted.

5. It should be noted that DTPILLAR is working with chapters in all Asian countries and that the FE Division is working with leaders of [] in the Philippines. However, it is understood that FE Division's management of and influence of [] in the Philippines will be consistent with IOD's management of [] internationally.
