MEMORANDUM FOR: CHIEF, DD/P ADMINISTRATION

SUBJECT: DTPILLAR - 1954 Expenditures

1. We have checked the point brought out during the PRC meeting Wednesday on DTPILLAR's budget to the effect that "they were presently allocating at the rate of \$6.2 million."

2. Robert Blum regrets that one of his people made that statement because further checking indicates that it was not accurate. Both CFA's present "allocations" as well as expenditures are well within the rate of the [] figure approved. There is therefore no problem of their spending beyond their means.

3. IO, together with Commercial Management, will watch this matter carefully. However, we should like to point out that we have full confidence in both Robert Blum and his controller, Shiny White, to watch this even more carefully.
