MEMORANDUM FOR: Chief, Political and Psychological Warfare
SUBJECT: DTPILLAR - 1954 Plans and Budget

1. It has been tentatively agreed with CIA controller that DTPILLAR will be permitted to continue on a "current expenditure" basis until the new president is selected and has an opportunity to look over the 1953-54 plans and budget. This will probably not be possible until after June 30th.

2. DTPILLAR has sufficient funds in the bank and in government securities to permit them to carry on for some months. There is therefore no urgency from their standpoint on this matter.

3. We shall have in your hands 1953-54 operating program and budget for DTPILLAR as soon as possible but it may be well into the first quarter of FY-1954.

MEMORANDUM FOR: THE COMPTROLLER

SUBJECT: DTPILLAR

1. After our preliminary budget meeting in San Francisco last week, we have asked DTPILLAR to thoroughly rework their plans and budget for next year, prior to review by their executive committee and CIA. As I thought the initial draft that we discussed was in pretty bad shape, this will take some time. It is possible that this will not be completed before the end of the fiscal year.

2. If we do not get to pass on DTPILLAR'S 1953-1954 budget before June 30 may we operate on the basis of "current rate of expenditure"? PILLAR has sufficient funds in the bank and in government securities to carry them along several months.
