MEMORANDUM FOR: Assistant Deputy Director, Plans (Administration)

SUBJECT: DTPILLAR

1. At a meeting of the GCC on April 24th, it was my understanding that the entire document setting forth allowances and other matters concerning DTPILLAR overseas personnel was approved. You may recall that the only stipulation was that these applied only to the three-man teams being located in twelve Asian cities, and would not apply to larger numbers of personnel required for future radio operations. It was agreed that the matter would be reviewed separately for the latter when plans for same were clearer.

2. You may also recall that at the close of the meeting I asked, to be certain that there was agreement, whether my understanding that the entire document was approved was correct. You answered in the affirmative, and indicated that the minutes of the meeting would be written up and circulated.

3. The above is also the understanding of the Vice-President of DTPILLAR who attended the meeting.
