Reference is made to the report of Special Agent Joseph J. Palguta dated November 7, 1952, at New York, New York, and to prior communications in this investigation.

Karl Bruno Dulkeith, Tarpenbekstrasse 148, Hamburg, Germany, was interviewed by our liaison representative on November 12, 1952. Dulkeith refused to furnish any information or any documents given to him for safekeeping unless in the presence of Nikolaus G. Baratoff.

We have advised Baratoff that any information he desired to furnish will be accepted but that this Bureau will have no further dealings with him with reference to his proposed trip to Germany to obtain the documents he alleges to have there.
