SUBJECT: SPECIFIC— DURCANSKY Statement Regarding a Colonel (Fnu) SLEZAK

1. DURCANSKY, the Slovak Nationalist emigrant, recently made a statement to the local OSI office in Munich which, if true, may shed some light on DURCANSKY's efforts to establish contact with the Hon John SLEZAK, Under Secretary of the Army, in early 1954. The Pullach Operations Base, it will be remembered, acted as a channel between the U.S. Army and DURCANSKY in verbally acknowledging receipt of a letter from DURCANSKY by the Under Secretary of the Army. According to an OSI report to POB, DURCANSKY recently stated that he was a personal acquaintance of a man named SLEZAK who still lives in Slovakia and a colonel of the gendarmerie during the Independent Slovak regime.

2. Although OSI has made this a matter of record with USAFE, we are making this a matter of KUBARK record in view of the ZIPPER/DURCANSKY relationship. Neither ZIPPER nor DURCANSKY has ever mentioned this matter to a KUBARK staff member.
