Brief Case History : Joined Nazi party and Allgemeine SS in 1933. Posted to Auslands Devisen Referat (Foreign and Currency Dept.) of the SS Führungshauptamt (FHL). In 42 was transferred to the Waffen SS with rank of Obersturmführer. Worked for FHL throughout the war and maintain that his contacts with U.S. Intelligence were purely incidental. Arrested by Swiss authorities in Jun 45 but nothing could be proved against him and was released in Oct 45. Probably used his SS connections chiefly in order to feather his own nest. See CSDIC/CIE/SD 90.
