Dear Mr. Garcia:

This is further to our letter of 1 May 2002 regarding your 30 October 2001 request for records under the provisions of the Freedom of Information Act (FOIA). Specifically, your request is for:

1. **Publication, Title: CIA Maps**
2. **Publication, Title: CIA's Role in UFO**

With regard to Item 2 of your request, please be advised that we provided you a copy of the document entitled, "CIA's Role in the Study of UFOS, 1947-90," in our letter to you of 12 April 2002 in response to your earlier request on the same subject (F-2002-00302).

In response to Item 1 of your request, we conducted a document title search of our database of previously released material – containing over 500,000 pages of material and we were able to locate one document (MORI 177294) which is enclosed. As stated in our 12 April 2002 letter to you and in accordance with our fee schedule, as a requester in the "all other" fee category, the material costs ten cents per page less the first 100 pages. As the document in question numbers 103 pages, and as an act of administrative discretion, we have determined that no fees will be charged for this request. A copy of our fee schedule is enclosed for your information.

Another option is to review the most recent version of CIA Maps and Publications on the CIA's electronic internet site. This site organizes the maps and publications by country, and provides the current data and price list for publications. The access for this site via homepage URL is:

www.cia.gov

An additional option to obtain maps published after 1 January 1980 is to write to:

National Technical Information Service
U.S. Department of Commerce
5285 Port Royal Road
Springfield, VA 22161

We trust the foregoing fulfills your request.

Sincerely,

Kathryn I. Dyer
Information and Privacy Coordinator
