To Whom it may Concern,

Last year, The Information office had processed my case # F-2000-01389. I would like to ask for additional information concerning the OXCART Program/ Black Shield missions. This was the basis of my previous case.

Under the FOIA act, I would like to request information on two Black Shield Missions, BX 6850 flown the week of Feb 7 thru 13 1968, and BX6853 flown the week of Feb 14 thru 20, 1968. I would like to have the mission summaries and any other information available on these two missions. I have enclosed copies of the Air Activities report that I received from my previous case.

Once again, thank you so much for your professional, courteous service.

Best Regards,

Jeannette Remak
