Dear Mr. Schantz:

This acknowledges receipt of your 30 May 2002 letter requesting records under the provisions of the Freedom of Information Act (FOIA). Specifically, your request is for records pertaining to:

U.S. stealth programs and technology.

For identification purposes we have assigned your request the number referenced above. Please refer to this number in future correspondence.

The information you seek falls under the purview of the U.S. Air Force. Should you wish, you may submit your request to the Air Force at the following address:

Ms. Rhonda Jenkins
Chief, Documentation Information and Services Branch
11CS/SCSL (FOIA)
1000 Air Force Pentagon
Washington, D.C. 20330-1000

That notwithstanding, we have determined that our database of officially released records contains four documents which indirectly touch on your area of interest. Enclosed herewith are copies of these documents, which were located in the course of searches on other subjects, performed on behalf of previous requesters.

For your information, the FOIA authorizes federal agencies to collect fees for records services. However, because copying fees for the enclosed materials would be minimal, and as an act of administrative discretion, we have determined that no fees will be charged for these documents.

We hope you find the enclosed materials useful, and wish you the best of luck in your endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kathryn I. Dyer', written in a cursive style.
