Dear Ms. Dyer:

This is a request under the Freedom of Information Act.

I request copies of all documents regarding the unfulfilled terrorist operation known as Project Bojinka. This plot involved flying hijacked passenger jets into prominent buildings in the US, as well as bombing planes and committing assassinations. It was uncovered in 1995 when authorities in Manila raided the apartment of Ramzi Yousef (the mastermind of the 1993 WTC bombing). Yousef's accomplice Abdul Hakim Murad revealed more of the plot to Philippine intelligence, who then gave the information to American intelligence (according to the *Washington Post*, 23 Sept 2001).

I am a freelance writer and journalist. I am willing to pay for copying expenses that do not exceed \$35.

If any part of this request is refused, please explain the specific exemption justifying the refusal and direct me to the legal appeals procedures.

Thank you very much for your attention. I look forward to hearing from you soon.

Sincerely,

Russ Kick
