Senator John Warner's Office
 Re: Information request Senator Warner and Staff
 Please allow me to introduce myself. My name is Guy Grundman. I am a new resident of . I am writing to seek your assistance in locating contact information for personnel at the Central Intelligence Agency. I am presently researching the CIA's Counterterrorism Center (CTC), Nonproliferation Center (NPC), and Weapons Intelligence, Nonproliferation, and Arms Control Center (WINAC). I am trying to identify the current directors for all three centers, as well as their contact information. Thus far, however, I have only been able to identify the names of former directors. In response to a formal inquiry, the Central Intelligence Agency has informed me that they are not able to supply the information I requested since it is not currently available. I recognize the sensitive nature of this information, so I certainly understand CIA's reluctance to release it publicly. However, I would appreciate any information or assistance that your office could provide.
 Sincerely,
 Guy T. Grundman, II
