Dear Coordinator,

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting information or records on a CIA project called The Blue Network that was run in Moscow, beginning in 1989. Information about this project is of historical value, since it casts further light on the relationship between the U.S. and the USSR during the last years of the Cold War.

If there are any fees for searching for, reviewing, or copying the records, please let me know before you task my request.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

You may e-mail me at the address below if you have any questions about my request.

Thank you for your time.

Sincerely,
