Dear Mr. Koch:

Thank you for your letter of 1 June 2005, and for the attached records. You noted that you had located three records, totalling ten pages, from your computerized system of previously released records. Attached to your letter, however, were only four pages. Three of the pages were identified as MORI DocID 274174, the fourth as MORI DocID 1018680. So it appears that six pages of pertinent records, concerning at least one document, have been located but not sent. Could you please send them? Thank you very much.

Yours sincerely,

(b)(6)
