Dear Mr. Kopytoff:

This is in response to your 18 September 2006 letter pertaining to your 21 July 2006 Freedom of Information Act (FOIA) request for documents related to Google. In your letter you state that you "prefer the broader search." We are sorry, but, as we stated in our 6 September 2006 letter, we cannot accept your original request because it is too broad. Further, the appropriate component has advised that your request is too broad and cannot be searched as stated.

Meanwhile, we are continuing to process your request as modified in our 6 September 2006 letter.

Sincerely

SCOTT KOCH
