Re: Freedom of Information Act Request

Dear FOIA Officer:

This is a request under the Freedom of Information Act.

This is a multipart request.

- 1) I request a copy of all correspondence (emails, letters, related documents and attachments) relating to Keyhole Inc. This part of the request should include all correspondence between the CIA and representatives of Keyhole Inc (e.g. John Hanke). Date range: from 1/1/2000 through 12/31/2006.
- 2) I request a copy of all correspondence (emails, letters, related documents and attachments) referring to or discussing Google's purchase of Keyhole Inc. This part of the request should include all correspondence between the CIA and representatives of Google regarding Keyhole, including Keyhole software and services. Date range: 1/1/2003 through 12/31/2014.

In order to help to determine my status to assess fees, you should know that I am a representative of the news media seeking information as part of a news gathering effort and not for commercial use. I represent print and online news publication Pando Daily (<http://pando.com>).

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. In particular: This request will help the public understand the relationship between the Central Intelligence Agency and Google's mapping service.

If you have any questions about handling this request, you may telephone me at 

Thank you for your help.
