Dear Mr. Parker:

On 20 August 2015, the office of the Information and Privacy Coordinator received your 14 August 2015 letter modifying the scope of your 26 May 2015 Freedom of Information Act (FOIA) request, as requested in our 5 August 2015 letter, for **any and all records, e-mails, attachments, and data of any nature, in any and all formats, that were sent to, received from, or interacted with in any capacity, any of the following:**

- 1) **clintonemail.com**
- 2) **chelseaoffice.com**
- 3) **presidentclinton.com**
- 4) **mail.president.clinton.com**
- 5) **printer.presidentclinton.com**
- 6) **wjcoffice.com**

As your 14 August 2015 letter explains, specifically you seek emails/correspondence between 1-6 above with any and all individuals that held any of the following CIA positions between 1 January 2009 up to and during the time period each individual held said position:

- 1) **Director**
- 2) **Deputy Director**
- 3) **Executive Director**
- 4) **Chief of Staff to the Director of the CIA**

We have assigned your request the new reference number above. Please use this number when corresponding so that we can identify it easily.

Based on the information provided in your 26 May 2015 letter, we determined that your request falls into the "all other" fee category, which may require you to pay charges to cover the cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two hours of search time, which are free. Copies are ten cents per page. We note that on 26 May 2015 you had agreed to pay fees up to \$25. As requested, we will advise you if fees should exceed that amount.

The CIA Information Act, 50 U.S.C. § 3141, as amended, exempts CIA operational files from the search, review, publication, and disclosure requirements of the FOIA. To the extent your request seeks information that is subject to the FOIA, we accept your request, and we will process it in accordance with the FOIA, 5 U.S.C. § 552, as amended. Unless you object, we will limit our search to CIA-originated records up to and including the date the Agency starts its search.

The large number of FOIA requests CIA receives has created unavoidable delays making it unlikely that we can respond within the 20 working days the FOIA requires. You have the right to consider our honest appraisal as a denial of your request and you may appeal to the Agency Release Panel. A more practical approach would permit us to continue processing your request and respond to you as soon as we can. You will retain your appeal rights and, once you receive the results of our search, can appeal at that time if you wish. We will proceed on that basis unless you object.

Sincerely,

A handwritten signature in black ink that reads "Michael Lavergne". The signature is written in a cursive style with a large, prominent "M" and "L".
