**Please Note:** The term ‘correspondence’ includes mail, memorandum, faxes, and emails

**Offices to Search Within Agency:** Please limit your searches to the following individuals within your agency.

- Office of Congressional Affairs
- Office of Public Affairs
- Office of the Director
- Office of the Deputy Director”

On 13 November 2015, a member of our staff spoke with Mr. John Cotter concerning the portion of the request for emails with employees of the Office of Congressional Affairs, Office of Public Affairs, Office of the Director and Office of the Deputy Director, of the Central Intelligence Agency. During which they stated to Mr. Cotter, as written, this portion of the request is so broad as to impose an unreasonable burden upon the Agency without knowing the specific “to” and “from” recipients of the CIA. So in an effort to assist, it proposed that we limit the search to the directors of those named offices, to which Mr. Cotter agreed. Should our officer encounter any other problems or if they cannot begin the search without additional information, we will contact you. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

Sincerely,

A handwritten signature in black ink that reads "Michael Lavergne". The signature is written in a cursive style with a long, sweeping tail on the letter "e".
