FOIA Request

To whom it may concern,

This is a non-commercial request made under the provisions of the Freedom of Information Act 5 U.S.C. S 552. My FOIA requester status as a "representative of the news media" however due to your agency's denial of this status, I hereby submit this request as an "All other" requester.

I prefer electronic delivery of the requested material either via email to [redacted] or via CD-ROM or DVD via postal mail. Please contact me should this FOIA request should incur a charge.

(b)(6)

I respectfully request a copy of records, electronic or otherwise, of any memos, white papers or reports, pertaining to the national security implications behind a Donald Trump Presidency / Presidential Administration.

I ask that my request be expedited. With public interest at an all time high due to the Presidential election, I believe this information would offer an inside view into the national security implications behind a Trump Presidency.

I also have a unique way of disseminating the information to the public. The Black Vault / www.theblackvault.com serves more than 8,000 people every day, and the social network following totals roughly 50,000 people, in which, when documents are posted, will reach hundreds of thousands of people through likes, shares and reposts.

A simple Google search will also show that once The Black Vault posts important documents such as these, many major news organizations will profile and highlight them, creating more public awareness.

Thank you so much for your time, and I am very much looking forward to your response.

Sincerely,

John Greenewald, Jr.
