259 Delaware Avenue

Buffalo , NY 14202

United States

Request:

I am seeking any memos or white papers prepared this calendar year on the national security implications of either Hillary Clinton or Donald Trump being elected president.

Fee Waiver:

I am willing to pay up to \$25.00 for my request, but I would also ask any fees be waived. Knowing how either of the two major party candidates for president may impact national security is important information which should be shared with the American people.
