Re: Freedom of Information Act Request

Dear Ms. Fong:

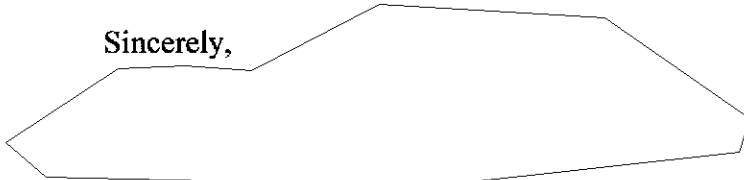

F-2018-02317

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting a copy of the agency's DCI special briefing document and notes on UFOs and the United States Government UFO Program to President-Elect Senator John F. Kennedy given by DCI Allen W. Dulles and DDP Richard Bissell, Jr. at Palm Beach, Florida, on 18 November 1960. Reference of this briefing is found in the book *Allen Dulles: Master of Spies* by James Srodes. On page 510 Srodes writes that "On November 18 Dulles and Bissell flew to Palm Beach to inform the president-elect on some confidential intelligence that had been denied him as a candidate."

If there are any fees for searching for or copying the records, please let me know before you begin work on my request.

If you deny all or part of this request, please cite each exemption that you think justifies your refusal to release the information and notify me of the appeal procedure available to me under the law.

Sincerely,

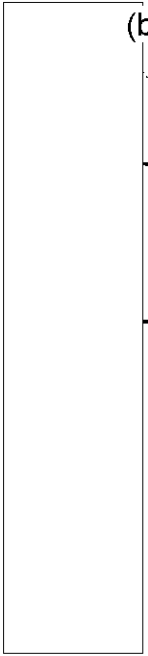

Timothy S. Cooper
