Jeannie,

This happens to us, too. We've had folks from all over the world establish "official CIA" Facebook pages. Facebook is quite responsive. If you have his contact information, reach out to Adam Conner directly, and he'll make sure things are righted.

Best,

(b)(3)

(b)(6)

Someone in Russia (!) created a Facebook page for my agency. Not sure how to proceed... anyone else faced this situation?
