Subject: Multiple Complaints at [Redacted] (b)(3)  
 Feedback: Since we have gotten the new manager at [Redacted] cafe, service has gotten worse and she terrorizes the staff. I just witnessed her arguing with a customer the other day. She waters down the soup, salsa, give less meat on sandwiches, give less food period, etc. The list is long. I've complained before but I'm sure she threw it away. Where can I and others complain and make sure it gets into the right hands. The food we are served have not changed since I've been here (5 years). That's another story. (b)(3)
