Dear Mr. Vance:

This is a final response to your undated Freedom of Information Act request, postmarked 26 December 2012, received in the office of the Information and Privacy Coordinator on 3 January 2013, for a copy of **any unclassified REDCOAT messages during the time frame of January 1, 1960 to April 1, 1960.**

Please be advised that requests for records related to the Nazi War Crimes and Nazi Officials have been reviewed under the NAZI War Crimes Disclosure Act (NWCDA). The collection of records was transferred to the National Archives and Records Administration (NARA) to be made available to the public through the NARA's NAZI War Crimes Disclosure Act (NWCDA). For your information, our collection does not include the records from other agencies. Therefore, in an effort to assist you in the most efficient way possible, unless you object and insist that we conduct a search in our portion of the collection, it is recommended that you submit your request to NARA at the following address:

Chief, Textual Reference Division  
The National Archives at College Park  
8601 Adelphi Road  
College Park, MD 20740-6001

Optionally, NWCDA records released by the CIA are also available for purchase on a set of seven DVDs, which include the records of the Japanese Imperial Government Records Act (JIGRA) of 2000. If you would like to purchase your own copy of this collection, please send a check or money order to me for U.S. \$70, made payable to the Treasurer of the United States. Please cite reference number **F-2013-00516** to ensure proper credit to your account.

Sincerely,

A handwritten signature in black ink, appearing to read "Michele Meeks".
