Newspaper Articles re Gehlen

1. The attached translation of articles entitled "The Man in the Dark" by Jürgen Thorwald, which appeared in Die Welt for 6, 13, 20 and 27 November and 4 and 11 December 1955, was prepared by the OCA translators at the request of Mr. Thomas C. Hughes, CIC and G-2 USAREUR Liaison Officer to OCA. It is forwarded to you for that reason and for whatever interest or convenience the translation may have for addressees.

2. Our discussions at the HqV concerning its activities, its responsibilities in various fields (e.g. in defensive CI), etc., frequently produce references to the activities of the Gehlen Organization. Mr. Hughes' request to be advised of what we learn on the same points from the Gehlen point of view is thus a natural one.
