DISPATCH NO. OELW-10922

TO Chief of Station, []

DATE 1 MAR 1957

FROM Chief, SR thru Chief, WE

SUBJECT GENERAL REDWOOD REDSOX []
SPECIFIC SMOTH "Persuasion" and Interrogation Techniques

REFERENCE: OELA-16695, 31 October 1956

ACTION REQUIRED: Information on SMOTH "Persuasion" and Interrogation Techniques

1. Information relative Baltic operations in the referenced dispatch is of great interest to Headquarters. Any additional information on SMOTH investigation of the matter will be appreciated.

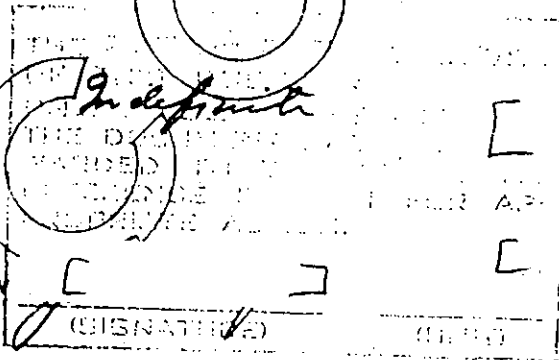

2. Headquarters desires to follow the Station's wishes by refraining from posing questions to SMOTH at this time on the subject of RIS control of SMOTH assets in the Baltic area. However, we are anxious to know what techniques SMOTH employed which proved successful in "persuading" RIS to return a SMOTH agent back to SMOTH. We should be most appreciative for any effort you would make at an early opportunity to provide us the answer.
