MEMORANDUM FOR THE RECORD

SUBJECT: Parkma v. Heine

1. Telephone conversation with [] today:

A. [] desires that we meet with him 3-4 January to discuss our suggested "inserts" for the Heine deposition, which Keith is to take during the week of 15 January. [] is to have a preliminary meeting with Keith.

B. The default judgment will be set aside based on representation of Heine's counsel to the court that he was the cause of Heine's failure to appear. Keith feels he could not successfully resist this because of the court's antipathy toward default judgments.

C. The identity of Heine's counsel is not now known.

D. Heine was to file his pleadings by 16 December, however, instead an extension of time was requested.

E. Keith was to interview Uduste in Montreal this week.

2. [] has been advised of the foregoing. He has also been requested to furnish us with the points of inquiry they wish to have raised in Keith's deposition of Heine. He also advises that according to Raus, it is rumored that Heine has retained "Maloney" or "Mahoney" as counsel, and that the individual allegedly is a political associate of Diefenbaker.
