Memo No. 684
19 January 1967

MEMORANDUM FOR THE RECORD:

SUBJECT: Meetings with RAUS.

1. RAUS was met by the undersigned on 5 January and 11 January 1967. The 5 January meeting was for the purpose of obtaining from RAUS a series of questions he had prepared for possible use in the forthcoming deposition of HEINE in Canada. During the course of this meeting RAUS mentioned that he was planning to go to Canada in the latter part of January on BPR business. At that time he intended to see VESKIMETS. RAUS was told by the undersigned that he should not make this trip at the present time. RAUS also informed the undersigned that it had been confirmed that Arthur MALONEY, a conservative close to Diefenbaker, would defend HEINE in the Canadian suit.

2. On 11 January the undersigned visited RAUS at his home to work over the questions to be sent to the lawyers. RAUS had recently received a letter from a friend in Chicago who wrote him the following story. In 1965 a Soviet Estonian, Ants ESKOLA, visited the United States to visit his daughter in Chicago and his son in California. While here ESKOLA who is an actor made the statement that Berik HEINE and Olaf TAMMARK had been sent to him (by implication together) somewhere in the Soviet Union for training in the social graces and how to behave in the West. RAUS is trying to obtain more details.
