ACTION REQUIRED - REFERENCES ACTION: FYI REFERENCE: EGNA-33363, 6 January 1967 <p>1. In response to a tickle from Bonn about the status of their investigation, CAVATA has replied that additional investigation has thus far revealed no new information about HEINE, his wife, his parents or his grandparents. CAVATA has not been able to locate records of the former repatriation camp in Schwaebisch Hall, which were allegedly confiscated after WW II "by the former occupying power." Because of the location of Schwaebisch Hall in the former American Zone of Germany, Bonn assumes these records were confiscated by American authorities, however, we cannot suggest where they might currently be located.</p> <p>2. The CAVATA investigation is continuing and CAVATA has promised to report to us as soon as answers to outstanding queries are received.</p> <div style="text-align: center; margin-top: 20px;"> []] </div>
