On 21 January 1956, SUBJECT stated that he was very interested in a Herr Dr. ~~van HOFFMANN~~, presently residing in VAHRISBERG (NW 0897), Germany, street address unknown. Source was requested to go to the Einwohnereinsatz (Residents Registration Office) and obtain the personal and background information available in that office. This information was to be imparted to HOFFMANN at the next meeting between the two men, which will probably be in LEIPZIG (US 1891), East Germany, during the next LEIPZIG Fair. Source replied that his family's daily work and political activity take up most of his time and he probably would be unable to comply with the request.
