

MEMORANDUM

1 Nov 1945

TO: DB 1

FROM: Hanson

Re: HOETTL

I delivered copies of my memo of Oct. 26th to LESLIE who showed it to llo. llo's suggestion was to send the memo to Major LEWIS at Wiesbaden, and I understand that you will comply with this request.

The two original letters I handed you yesterday were found by my Swiss friend at his home in Switzerland when he returned there recently from Freising. They were destined for HOETTL, the one from Preuss came from Vaduz and the one from Auersperg came from Villars. Please return the originals to me so that he can take them to Freising when he next returns there. I understand that you are in accord with this step.
