1. The following is the operational plan for initial exploitation of the "Mt. Vernon" net of agents:

a. TAB "A" - Assignment of USIA factories according to locality of agent for initial reports and designation of area.

b. TAB "B" - General KFI's to be answered for all enterprises assigned for initial effort.

c. TAB "C" - Reporting methods suggested.

d. TAB "D" - Initial O.B. KFI (To be exploratory to determine future usability for O.B. coverage of Lower Austria.)

(NOTE: These firms are listed by their original (German) designation and location coordinates are taken from the GAZETTEER of AUSTRIA, G.S.G.S. 1:250,000 Map Series G.S.G.S.

2. It is planned to explore the possibilities of the Mt. Vernon net on basic questions concerning USIA. If the group are able to canvas all USIA firms assigned in accordance with KFI in TAB "B", more specific and detailed data will be required.

3. It is requested that for reporting purposes the suggestions outlined in TAB "C" be adhered to for initial reporting, and further suggestions would be welcomed.
