Attention:

Chief of Station, Vienna

Operational  
Dr. Wilhelm HOETTL

1. Wilhelm HOETTL is in no way connected with this Station, although he is known to us. HOETTL, a former SS-Ostufaf., has been reported by the 430th CIC Det as active in making contact with former GIS personnel, with the avowed purpose of building up an intelligence network which he hopes to sell to the Americans when it is completed. Our latest information on him dates from July 1948, at which time he was described by CIC as a security threat.

2. HOETTL is, in fact, identical with the person employed by OSS in 1945.
