1.   recently mentioned his close affiliation to what sort of an American Intelligence Organization (AO), with headquarters at Frankfurt am Main. The case officer gave a nondescript answer.

2. At the same meeting   reported verbally on one Dr. Michael, born 12/25 in Vienna, now residing at 8 a.ussen, a former SS. uniformed officer and a close associate of Dr. [unclear], an opponent of the AO, who was in the employment of the AO until the spring of this year. He has been commissioned by an unknown American Agency to form an information net and was allegedly received funds of 25,000 U.S. dollars.

reports that he has managed to scrape together a sizable amount of organized Jewish property, mostly jewelry, during the war years and is still in the possession of it. He maintains close contact with one Leona WITTE (Note: he has no traces), at 8nd hall near Innsbruck, currently living at Villa Welterwaldoff, where he occupies three rooms, has a secretary at his disposal; born Polish nationality and works for the French Intelligence. Also in contact with Dr. [unclear] and WITTE is one Dr. Leo [unclear] (Note: no traces), now living at 23 Linnerstrasse, Salzburg. Witte claims to be an employee of the Austrian Ministry of Foreign Affairs.   believes that he works for the Austrian Ministry of Interior. His activities are known to and probably directed by Dr. [unclear] of the Austrian Police Direction, and his real name is Dr. [unclear].
