SUBJECT: GENERAL— Operational
SPECIFIC— Wilhelm HOETTL, Reported Soviet Connection
Reference: SALZ#238

1. Following is translation of a report dated 30 October 1951 from [] who ascribes it to frn DONABAUER (personalia promised) who passed it via Geo MAIER: "It is confidentially reported that Dr. HOETTL is currently negotiating with two representatives of General SWERIDOW on possibilities to win over the leadership of the former Waffen-SS to serve Russian interests. This information stems from the circle of former SD-personnel to the RSHA 6-E, Budapest, who can supply no further details."

2. RSHA 6-E, Budapest, suggests Josef Adolf URBAN. The brevity and vagueness of the report suggests, alas, that the report is a fabrication. URBAN's present relations with HOETTL are not known here.

3. Original is attached herewith. Contents have been passed to Gruesome as stemming from police files in Vienna.
