DISPATCH NO. MASW-1670

SECRET  
SECURITY INFORMATION  
CLASSIFICATION

TO : Chief, EE  
FROM : Chief of Station, Vienna <sup>Salt</sup>

DATE: 20 May 1952

SUBJECT: GENERAL— Operational  
SPECIFIC— Request for Return of Documents

Reference— MASW-404

1. We wish to express our appreciation for the prompt service in returning documents under reference.
2. This was an unusual case and, as you state, it was most fortunate that the documents had not been integrated into Registry. We do not plan to forward similar documents in the future; however, should we, by chance, at later dates forward similar documents, we shall clearly mark them so that they may be specially handled by you for quick removal from the files.
3. You may, therefore, continue to integrate straight Grussome and Gragora reports into Registry without hesitation.
