SUBJECT: Report on Dr. Wilhelm HÜTTL

1. The attached report on Dr. Wilhelm HÜTTL was submitted to SCHACK personally at the beginning of May 1949, and was the outcome of a long conference held at Munich on 2 May 1949, those present were: Dr. SCHNEIDER, SCHACK, Dr. PICHLER, KUENE, SCHÄFER, MALLNER, RICHARDSON, and myself. At this conference SCHACK had requested to leave the names of Dr. Emmerich OFFCZAREK, Dr. HÖNLINGER, and Rupert MANDL out of the report. These persons were members of the G-Organization, and SCHACK did not want to have their past in the files. When I discussed this problem with RICHARDSON, he assured me that he would pass my first copy on to the American in charge. I was later informed by Mauritius that RICHARDSON usually did not comply with such demands.

Key to cover names: MALLNER = DOHNAL; SCHÄFER = OFFCZAREK;
HÖNGEL = HÖNLINGER; Rupert MAIER = Rupert MANDL.
Enclosure.
