Intel/TOPHOLB.
Willi Hoettl's Address Book

Ref: EASA-958

1. Attached in one photostatic and two type-written copies are reproductions of Wilhelm Hoettl's address book, which was procured from him by Special Agent Rolf Ringer of CIC. Hoettl was lead to believe that Ponger and Lauber had copied his entire notebook, which was not the case. The undersigned has not as yet had time to make a detailed comparison of the attached with the attachment to EASA-952.

2. One copy of the attached was hand-carried to POB It is requested that you forward one copy of the attached to Washington as soon as feasible.
